Sub: Suspension of Digital YCTC Platform .

Dear Sir / Madam ,

During the Pandemic, Digital YCTC Platform was introduced for students to avail online classes for their courses in YCTCs vide this office Memo no 1462/DYS/2S-59/2021 dated 22.12.21.

Since pandemic has now subsided, and all things are back to normal, students are now preferring to come to the YCTCs for classes.

Accordingly, the digital platform is now suspended. However, students who took admission through that platform will be able to complete their courses and examination & certification for them will be held as notified. Courses introduced for digital platform i.e., CDTA & DDTA may continue to be offered by YCTCs alongside other courses as usual.

You are requested to inform all YCTCs in your district for necessary action .

Yours faithfully ,

Wah
